

SIMPLICITY SLIDER SYSTEM®

- ✓ Simple Installation
- ✓ Low Maintenance
- ✓ Retrofit Available
- ✓ Fast Delivery
- ✓ Worksheet Required
- ✓ Built to Order

Simplicity Slider Bars® are made with 3/4" UHMW material providing a long-wearing, low-friction travel surface for your belts.

Patented wing roll replacement inserts can be customized to fit your existing idler stands at NO ADDITIONAL COST.

Slider bars provide full support for your belt to maximize seal efficiency.

Steel center rolls provide low-friction conveying at heavy load points, rubber disks rollers available for high impact transfer points.

Slider Bars also available in center based on application needs.

Simplicity 'T-Bolts' make installation and slider bar replacement quick and easy.

- **Simplicity Slider System®** controls spillage by eliminating belt sag between idlers.
- Simplicity Slider System maximizes the performance and extends the life of your skirtboard material.
- Reduces unnecessary costs associated with spillage cleanup and premature belt and skirtboard wear-and-tear.
- Reduces wear on belts by decreasing the pressure on your skirting.
- Supplied as a complete system or easily retrofitted to your existing stands.
- Ideal with At-Last-A-Seal, Talon seal, or Flexiskirt for ultimate sealing solutions.

WHO IS ARCH ENVIRONMENTAL?

Manufacturer and worldwide distributor of preferred bulk conveyor components since 1975.
